# LEAPW501

## Powerful solution for a blended learning environment

LEAP W501 provides educators with all the digital tools to foster a student-centered learning experience. This laptop enables teachers to create blended learning environments and a more personalized teaching – learning process in order to prepare students with the 21<sup>st</sup> century skills necessary to tackle the challenges of the modern workforce.

## High performance for high standards

LEAP W501 comes with a 7<sup>th</sup> Generation Intel® Core™ CPU to ensure the performance and efficiency needed for a quick paced classroom setting. It allows educators to work on several tasks simultaneously without slowing down the device, preventing loss of time due to lagging.

## Sleek but rugged

LEAP W501 has a sleek design with semi-rugged features for added protection, avoiding frequent and costly repairs and downtime due to failure. It is resistant to drops up to 50cm, and the keyboard and touchpad are resistant to liquid spillage, which help to prolong the device's average lifespan.

## Preloaded with the Inspiring Knowledge Education Software for Teachers – ikES.Teacher

The Teacher bundle expands the ikES overall software offer by providing a controlled environment granting teachers with the software tools they need to deploy more interactive and engaging classes. The ikES.Teacher is born from jp.ik's will to improve the education ecosystem, searching for an integrated solution, empowering educators in order to enhance the technological possibilities within the classroom and improve students' 21<sup>st</sup> century skills and capabilities.

## Product Specifications

**OS** • Windows 10 ready

**CPU** • Intel® Core™ i3 7100U / Intel® Core™ i5 7200U / Intel® Core™ i7 7500U

**Memory** • 2GB / 4GB / 8GB / 16GB DDR3L SoDIMM

**Storage** • 500GB / 1TB HDD 2.5" SATA; 128GB / 256GB SSD 2.5" SATA

**Display** • 14" HD (1366x768)

**I/O** • 2x USB 3.0; 1x USB 3.1 Type-C; 1x HDMI 1.4; 1x Combo audio jack; Micro SD card reader; 1x RJ45 Giga-LAN; 1x DC-in

**Speaker & Mic** • 2 built-in stereo speakers; 2 digital Mic

**Sensors** • G-sensor

**Security** • TPM, 1x Kensington lock

**Connectivity** • WiFi 802.11 ac Dual Band 1x1 with BT 4.0; 3G(EE)(optional)<sup>(1)(2)</sup>

**Camera** • 1.0MP

**Battery** • 5000mAh, 37Wh, +7h battery life<sup>(3)</sup>

**Ruggedness** • Drop up to 50cm, Water Resistance 100cc on keyboard/touchpad

**Weight** • 1.83kg

**Dimensions** • 347 x 237 x 24.3mm

(1) Price includes antennas.

(2) Local certifications not included

(3) Results are based on test under controlled conditions using the TabletMark® battery life benchmark (Basic product configuration, brightness 50%, WiFi & BT - ON). Battery Life depends on numerous factors including product configuration and usage, screen brightness, operating conditions, wireless functionality, power management settings and other factors. The maximum capacity of the battery will naturally decrease with time and usage.
